EDUCATION

Bachelor of Science in Computer Science Expected Dec 2028
Alabama State University · Montgomery, AL · GPA: 4.0 · Presidential Scholar · W.E.B. Du Bois Honors Scholar

- Completed CodePath Technical Interview Prep, solving LeetCode-style problems in Python under timed conditions
- Earned selection as a 2026 HBCU SCI Summer Fellow, awarded to high-achieving students driving community impact
- Finished CodePath Foundations of AI Engineering, shipping AI-powered projects with real-world deployment

PROJECTS

Trivia Clash — www.triviacleash.app
Next.js · TypeScript · NestJS · PostgreSQL · Docker · WebSockets

- Engineered a full-stack real-time multiplayer trivia platform with head-to-head competitive gameplay from scratch
- Implemented an ELO ranking engine and live leaderboards, with thousands of users registered and actively competing

Mekonatey Residential Care Website — mekonateyresidentialhomes.com
HTML · CSS · JavaScript · Google Maps API

- Designed and deployed a production website for a residential care organization, accelerating client engagement by centralizing all contact and location info

Personal Business Website — nahomtesfay212025-cmyk.github.io
HTML · CSS · JavaScript · Responsive Design

- Delivered fully custom websites end-to-end for multiple business and individual clients, from design through deployment

W.E.B. Du Bois Honors Program Website — asu.web.honors.com
WordPress · Web Development · UI/UX

- Developed and sustain the official honors program site, coordinating content for events and achievements across multiple states

EXPERIENCE

Website Administrator · [The Hornet Tribune](https://thehornettribune.com) Aug 2025 – Present | Montgomery, AL
asuhornettribune.com

- Administer a high-traffic digital newspaper platform reaching 10,000+ students, alumni, and faculty
- Publish and curate multimedia content driving 5,000+ monthly active users across all digital channels
- Uphold the digital presence of the oldest student-run Black college newspaper in the United States

Website Administrator · [W.E.B. Du Bois Honors Program — Alabama State University](https://web.honors.com) Jan 2024 – Present

- Architected and maintain the program's website, overseeing content strategy and navigation for a multi-state honors program
- Increased content publication frequency by streamlining workflows for announcements, events, and student achievements

Website Administrator · [Mekonatey 24 Hours Residential](https://mekonatey24hoursresidential.com) Jan 2024 – Present

- Launched and manage the organization's client-facing website, reducing inquiry response time through integrated contact systems

RESEARCH & ACHIEVEMENTS

2nd Place Research Award — 3rd Annual Honors Conference 2026 · W.E.B. Du Bois Honors Program

- Conducted and presented original research on AI's impact on student learning at Alabama State University
- Secured 2nd Place among a competitive cohort of honors scholars, recognized for depth of analysis and presentation quality
